

UCWC Women's Winter Retreat Registration 2017

Friday March 17th (Dinner) – Sunday March 19th (Mid-Morning)

Daylesford Abbey Spiritual Center
220 S. Valley Road Paoli, PA

The Plan

- *We will be watching a movie and other activities, exploring our journeys and our spirituality.
- *We will have time to unwind, engage our bodies and our minds, laugh and play.
- *We will worship together. We will make connections with one another.
- *We will have free time for a walk or whatever the weather permits and whatever you would like to do with your free time.

You will be receiving further instructions about what to bring. Those with special food needs or allergies have been asked to provide their own 'supplemental' foods. There is a small kitchen that we have access to for those who need it. We will also make a point of letting you know the kinds of foods that will be served to help you plan.
