

UCWC Women's Winter Retreat Registration 2018

Friday February 16 (Dinner) – Sunday February 18 (Breakfast)

Temenos Retreat Center

1564 Telegraph Road West Chester, PA (West Bradford Township)

We are responsible for our own food this year. We have multiple options and are likely to combine self-provided meals, catered by a local service, use the Temenos kitchen to prepare a community meal on our own.

The Plan

- *We will be watching a movie, exploring our stories, our journeys, and our spirituality.
- *We will have time to unwind, engage our bodies and our minds, laugh and play.
- *We will worship together. We will make connections with one another.
- *We will have free time for a walk or whatever the weather permits and whatever you would like to do with your free time.
