

## UCWC Women's Spring Retreat Registration 2019

Friday April 26 (Dinner) – Sunday April 28 (Breakfast)

Temenos Retreat Center

1564 Telegraph Road West Chester, PA (West Bradford Township)

### The Plan

We will be watching a movie, exploring our stories, our journeys, and our spirituality.

We will have time to unwind, engage our bodies and our minds, laugh and play.

We will worship together. We will make connections with one another.

We will have free time for a walk or whatever the weather permits and whatever you would like to do with your free time.

### Meals

We are responsible for our own food this year. We have multiple options including groceries, catered by a local service, and we will use the Temenos kitchen to prepare a community meal on our own.
