Live Auction

Live Auction October 17

The live auction will be **Saturday October 17 on Zoom**. The Zoom session will start with **social time at 6 pm** (you're welcome to eat your dinner/ desserts while we Zoom). The auctioneers will start their thing at 6:30 and it should last 1 hour or a little more. The link and password will be emailed to all registered bidders. (If you wish to join the fun, be sure to register. You are not obligated to bid.) **Have a piece of paper with your paddle number printed boldly and neatly.** You will have to hold it up to your camera to bid.

Bell Ringers

From time to time throughout the evening, there will be occasions when an item or service is offered more than once. When this occurs, after the bidding is over, a bell will be rung, and the item or service will be offered to the next highest bidder(s) and the highest bidder at the next highest bid. For example, suppose there is a mad and furious bidding for Five hours of Domestic Service. Several people bid this up to \$150, then all but one drop out and the final bid of \$155 is accepted. If this had been a bell ringer item, a bell would be rung and both bidders who bid \$150 will be offered the item for that price.

Bidding

Beginning Bids and Fixed Price Bids

Minimum bids have been specified for most items. If you are the first to bid on an item, you may start at the minimum bid or higher. Occasionally you will find "fixed price" items where several are available. In this case, you may simply enter the fixed price and you are guaranteed to win. If you want more than one, use more than one line on the sheet.

Multiple Bids

The parties, some of the meals, and the meditation session are offered for four or more people. The bidding is on a **per-seat basis**. If it is in the silent auction, complete one line for each seat you want on the online sheet.

If it is in the live, Zoom auction, the auctioneers will give instructions for bidding. They will open the bidding at the minimum price and will ask who's willing to pay that price. If more people are interested than there are seats, the auctioneers will raise the bid and ask again. This process will be repeated as people drop out of the bidding until the number of people still bidding fills the seats.

After the Auction

Payment

The day after the live auction, you will be emailed an invoice with all your winnings listed. Payment can be made four ways:

- Send your check to **UCWC, 501 S. High St., West Chester, PA 19382** (preferred, since no transactions fee are charged to UCWC). Please put “auction” and your paddle number in the memo line.
- Via [this online link](#). There will be a blank field next to the dollar amount where we request that you please enter your paddle number.
- Via [this PayPal link](#). There will be a comment field where we request that you please enter your paddle number.
- Via this PayPal QR code. There will be a comment field where we request that you please enter your paddle number.

Collecting on Your Items

- The donor’s name and contact information will be listed on your invoice.
- It is your responsibility to contact the donor and arrange for delivery of the service at a mutually agreeable time. You needn’t contact the donor immediately; you have up to one year to collect on your items, unless otherwise specified by the donor’s description.
- If you have any questions about how to contact the donor, you can email auction@ucwc.org.

NOTE: The decision as to which items will be in the live auction has not been finalized as of this printing.

The following list contains all the items. If any items that are switched to the live auction have silent bids, those bids will be transferred to the live auction as starting bids.
