

UCWC
Social Justice
Committee

Mission:

The Social Justice Committee leads, coordinates, and encourages the efforts of the UCWC community to bring about our vision of a more just, sustainable, and peaceful society and to have an impact on the needs of disadvantaged people, at local, state, national, and international levels by coordinating, supporting, and nurturing subcommittees, groups, and projects, and by developing leadership skills.

The Social Justice Committee provides the leadership that makes possible congregational action to embrace diversity and promote peace and justice in the world. This work offers opportunities for personal growth, generosity, education, service, witness, and advocacy.

Social justice work is not confined to the Social Justice Committee. Religious Education, Youth Group, and other groups often have social justice projects.
