TO REGISTER:

You must be registered to bid.

- Register as an individual
- Email address is required. If you get a confirmation email after you have registered, please “confirm”.
- You do not need to provide your address.
- You do not need to provide a phone number, but doing so will enable text messages (e.g. you were outbid).
- You can “*skip this step*” for your credit card information at the time of registration, but if you plan to use a credit card when checking out the night of the auction, this will expedite the process. (You can choose whether or not to pay the credit card processing fee for UCWC.)

TO DONATE:

If using the online form “Donate an Item”, there is a page for item details and a subsequent page for adding photos or website links. Auctria admin will contact you for specific information, if needed. Your item will not be visible in the catalog until it has been approved by an Auctria Admin.

If you have trouble you can contact us and we will enter the information for you.

If you prefer, you can just fill out a Word document and submit personally to an auction team member or via email: auction@ucwc.org.

TO BID:

- Each item has a “more details” link at the bottom. Click there to go to the bidding page. If you are signed in, you will be able to Star an Item when you select “*More Details*” for an item in the Catalog. Later, you can filter items to display only the ones you have starred. 
- You will not be able to bid until bidding opens on October 11th.
- Items that will be in the LIVE auction the night of the event (October 17th) are visible in the catalog, but you cannot bid for them on-line.
